

July, 2023

Enclosed is your contract for the 2024 Official Door County Destination Guide – the most comprehensive vacation planning publication available.

For the second time we are partnering with our Agency of Record, Madden Media, LLC to produce the Guide. They did a fantastic job on the 2023 Guide, so you can expect fresh new content, images and design elements again this year.

There are some items to note this year:

1. The Destination Guide will come out in February, 2024. This is a month earlier than we produced last year's Guide. This schedule better aligns with when consumers reach out requesting a Door County Destination Guide.
2. We will produce 215,000 copies.
3. **August 23, 2023** is the deadline for **returning your contract**.
4. **September 8, 2023** is the deadline for **display ad art**.
5. Deadlines have been set for production deliverables. We won't be able to extend them.

We will be holding Information Sessions to answer questions about how to complete your contract. If you can't make it to a session and need help, please call me and I'll arrange to see you at a more convenient time or for a staff member to stop by to review the information with you.

Thanks! I look forward to working with you.
