Hunt questions.

Welcome to the Door County Coastal Byway

You're invited to explore the Door County Coastal Byway!

This coloring book will be your guide along the byway's 66 miles of Wisconsin's beautiful Door Peninsula. Search for the Experience Kiosks in the communities as you travel, they will show and tell you about each area. Begin north of the City of Sturgeon Bay, follow either State Highway 57 or Highway 42 north, and Highway 42 to Northport to the very end of the Peninsula. Return south the opposite highway.

The route offers scenic views of Lake Michigan, the Bay of Green Bay and the Niagara Escarpment bluffs, of dense forest, farm lands, and quaint shore-side towns and villages. DCCB features three state parks, ten county parks and several lighthouses. Towns and villages along the way offer retail shops, galleries, live music and theatre, cherry and apple orchards, boating, fishing, hiking, golfing and many other fun activities.

Color the pictures in this book as you travel, and find the answers to the Scavenger Hunt questions on each of the Experience Kiosks along the route.

Enjoy the beaches and the rocky shores of the Bay of Green Bay and Lake Michigan. Learn about the history of the great communities. See the rugged bluffs of the Niagara Escarpment. Pick some cherries or apples. Enjoy many fun experiences suggested by our business friends along the way.

Thanks for coming to Door County and exploring the Coastal byway. We hope you have a wonderful vacation, and please come back soon!
